

Microfinance Seminar
Taught by John Hatch;
Founder, Foundation for International Community Assistance (FINCA)
April 9-10, 2010

Registration Information

Thank you for registering for the upcoming microfinance seminar. We are very excited to present this comprehensive two day seminar on the influence of micro-credit lending, the village banking methodology, and management best practices for operating a microfinance organization. Please answer the following questions and submit them via email reply. We will send you your syllabus, recommended readings, attendee packet and information regarding the luncheon during the second week of March.
